ETNA FIRE INSURANCE COMPANY.

Hartford, Conn.

Geo. Huggins, Agent, Columbia, S. C.

ACCORDING to the report of the New York Superintendent of Insurance Companies for the fiscal year, the actual available Cash Assets of the Etna amount to \$5,153,592.

On the 5th of June instant, this Company completed the fiftieth year of its existence—a venerable age.

The Etna, besides being full of years, is full of honors. It has long enjoyed the reputation of being the leading Fire Insurance Company in America.

Since its organization, it has paid losses amounting to over \$25,000,000. Over \$100,000 have been paid in Columbia.

One of the principal causes of the great success of the Etna is the careful manner in which its risks are distributed; so that when a great calamity comes, the weight falls comparatively light, and without impairing its capital. Another cause of its great success is the honorable and prompt manner in which it has always paid claims.

The Etna has been represented in Columbia by the undersigned for twenty years.

Risks taken on Buildings, Dwellings, Merchandise, Cotton and Furniture in Columbia and adjoining Counties. All claims for losses adjusted and paid at the Agents Office.
